I hereby certify that all land disturbing construction and associated activity pertaining to this permit application shall be accomplished pursuant to the approved plans and Ordinance No. 7, 2005 Series.

Owner or Authorized Agent

Date

TYPE II LAND DISTURBANCE PERMIT EPSC PLAN CHECKLIST

Construction Plan Elements

- | | | | |
|--------------------------|--|--------------------------|--|
| <input type="checkbox"/> | Vicinity map showing project location | <input type="checkbox"/> | Current Zoning |
| <input type="checkbox"/> | Location of all lots and proposed site improvements (roads, utilities, structures, etc.) | <input type="checkbox"/> | Location of soil stockpiles and/or borrow/disposal areas |
| <input type="checkbox"/> | 100-year floodplain and floodway limits | <input type="checkbox"/> | Existing vegetative cover |
| <input type="checkbox"/> | Locations, size, and dimensions of proposed stormwater systems (pipes, swales, channels, etc.) | <input type="checkbox"/> | Proposed vegetative cover |
| <input type="checkbox"/> | Offsite construction activities (utility connections, etc.) | <input type="checkbox"/> | Existing site topography (minimum 2' interval) |
| | | <input type="checkbox"/> | Proposed final topography (minimum 2' interval) |

Erosion Prevention and Sediment Control Plan Elements

- | | | | |
|--------------------------|---|--------------------------|---|
| <input type="checkbox"/> | Narrative describing the nature and purpose the project | <input type="checkbox"/> | Sequence describing stormwater quality measure implementation relative to land disturbance activities |
| <input type="checkbox"/> | Vicinity map showing project location | <input type="checkbox"/> | Stable construction exit locations and specifications (at all points of ingress and egress) |
| <input type="checkbox"/> | Notation of any State or Federal water quality permits | <input type="checkbox"/> | Sediment control measures for sheet flow areas |
| <input type="checkbox"/> | Specific points where the stormwater discharge will leave the site | <input type="checkbox"/> | Sediment control measures for concentrated flow areas |
| <input type="checkbox"/> | Location and name of all wetlands, lakes, sinkholes, and watercourses on or adjacent to the site | <input type="checkbox"/> | Storm sewer inlet protection measure locations and specifications |
| <input type="checkbox"/> | Identification of all receiving waters | <input type="checkbox"/> | Runoff control measures (diversions, rock check dams, slope drains, etc.) |
| <input type="checkbox"/> | Identification of potential discharges to ground water (abandoned wells, sinkholes, etc.) | <input type="checkbox"/> | Storm water outlet protection specifications |
| <input type="checkbox"/> | 100-year floodplain and floodway limits | <input type="checkbox"/> | Grade stabilization structure locations and specifications |
| <input type="checkbox"/> | Pre- and post-construction estimate of peak runoff (per Stormwater Design Standards) | <input type="checkbox"/> | Location, dimensions, specifications, and construction details of each stormwater quality measure |
| <input type="checkbox"/> | Adjacent landuse, including upstream watershed | <input type="checkbox"/> | Temporary surface stabilization methods appropriate for each season (include sequencing) |
| <input type="checkbox"/> | Locations and approximate boundaries of all disturbed areas (construction limits) | <input type="checkbox"/> | Permanent surface stabilization specifications (include sequencing) |
| <input type="checkbox"/> | Soils map including soil descriptions and limitations | <input type="checkbox"/> | Computations to support sediment control designs |
| <input type="checkbox"/> | Locations, size, and dimensions of proposed stormwater systems (pipes, swales, channels, etc.) | <input type="checkbox"/> | Kentucky Licensed Professional Engineer's seal |
| <input type="checkbox"/> | Location of soil stockpiles and/or borrow/disposal areas | | |
| <input type="checkbox"/> | Signed statement by owner or authorized agent that all land disturbing activities will be done pursuant to the approved EPSC and Ordinance No. 7, 2005. | | |
