DISCLAIMER

Nothing in this Handbook is intended to supersede or conflict with provisions of Kentucky law related to boards and commissions addressed herein or the City of Frankfort. To the extent any provisions of this Handbook conflict with Kentucky law, Kentucky law shall govern.

INTRODUCTION

We can't do it alone.

The City of Frankfort depends on a variety of local boards and commissions to ensure the success of our government and our community. Each board serves a unique and important purpose, whether it is advising on historic preservation, governing municipal utilities, or determining whether the conduct of city officers is ethical.

The rules that govern our city boards and commissions are as varied as the purposes of the boards themselves. Powers and duties, membership requirements, appointment authority, city oversight, and other issues often depend on particular state statutes, local ordinances, board rules, or a combination of all of the above. It is very important that you know the rules that apply to your board. This Handbook is intended to provide you with the basic information you need to be a successful board member.

You will find information in this Handbook regarding how to determine when a board seat is available, how to apply for board membership, and how the appointment process works. Other sections deal with general rules that apply to boards, such as open meetings and open records requirements, or how to request funds or supplies from the City.

The “Board Overviews” section is the place to start! This is where you will find brief descriptions of each city board and commission, along with key details concerning meeting schedules, terms, qualifications, the appointment process, which forms must be completed for application, and more. For full details on each board, you should consult the applicable statutes and ordinances referenced in the “Board Overviews” section. Consult the board for any applicable bylaws or internal rules.

All forms and applications you need are located in the “Forms” section. If you need additional resources, such as where to find state laws related to your board, or open meetings and open records materials, you can find these in the “Resources” section.

Finally, don't forget to review the “City Government Structure” and “City of Frankfort Mission Statement and Goals” following this introduction to learn about how Frankfort is governed and the vision for the community that guides all of us as we play our part in Frankfort's present and future.

If you have questions at any time, you should always feel free to contact the City of Frankfort or members of the board you are on or wish to join. We are here to help you succeed.

Thank you for your willingness to serve the City of Frankfort. We look forward to working with you!

“Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has.” -- Margaret Mead

CITY OF FRANKFORT GOVERNMENT STRUCTURE

The City of Frankfort is organized under the City Manager form of government. We are led by a five-member Board of Commissioners, which includes the Mayor and four Commissioners. The Mayor is elected every four years, and the Commissioners are elected every two years. The elections are non-partisan.

The Board of Commissioners must appoint one commissioner as Mayor Pro Tem to act for the Mayor whenever the Mayor is unable to attend to his/ her duties. Duties specific to the Mayor include presiding over meetings, signing contracts, serving as the ceremonial head of government, and making appointments to certain boards.

19 of the over 400 cities in Kentucky operate under the City Manager form of government. We are different from cities with a Mayor-Council plan or Commission plan, because while ultimate responsibility and control over executive and legislative authority rests with the Board of Commissioners as a whole, much of the day-to-day executive and administrative responsibility is given to the City Manager by state law.

The duties required of the City Manager under KRS 83A.150 include:

- Enforcing the city manager plan, city ordinances and statutes
- Promulgating procedures, subject to Board of Commissioners approval, to govern the functions of city government
- Being responsible to the Board of Commissioners for proper administration of all duties imposed by city ordinance
- Recommending to the Board of Commissioners the appointment, removal and discipline of city employees and officers. However, appointment and removal must be carried out by the Board of Commissioners itself, except for certain interim or temporary appointments.
- Preparing, submitting and administering the annual budget
- Preparing and submitting an annual year-end financial report and a report on the administrative activities of the city
- Advising the Board of Commissioners concerning the financial condition and future needs of the city
- Maintaining liaison with related units of local government for joint activities
- Supervising all city departments and conduct of all officers and employees under the City Manager's jurisdiction

BOARD MEMBERSHIP AVAILABILITY

There are many reasons why the city may need to make an appointment to a particular board or commission. The most common reasons include term expiration, resignation, or creation of a new board. To determine which boards may have current or upcoming vacant seats, you can contact the City Clerk at 502-875-8500, or visit the city website for an updated board list at <http://www.frankfort.ky.gov/Resources/City-Boards/city-boards.html>.

Regardless of whether a vacancy currently exists on a board, you are encouraged to submit an application at any time. This ensures the city knows you are interested and how to contact you if a vacancy occurs or an appointment must be made.

APPLICATION PROCESS

Although the appointment process may differ depending on the board, almost every applicant or potential appointee must complete the initial application process prior to appointment. This process includes:

- 1) Completion of the City of Frankfort Boards and Commissions General Application Form.
- 2) Submission of a *Résumé* with the General Application Form.
- 3) Completion of any additional forms or requirements that are specific to the board you are interested in joining.
- 4) Submission of all required forms to the City Clerk at City Hall, 315 West Second Street, Frankfort, Kentucky 40602.

All forms are readily available at City Hall, as well as the “Forms” section of this Handbook.

While some boards only require submission of the General Application Form and *Résumé*, other boards have specific requirements under state or city law or policy that must be met prior to appointment. For example, a board may require that members reside in the City of Frankfort, or have particular education or expertise. To ensure compliance with the law, you may be required to submit certain affidavits, background investigation consent forms, or other documentation with your General Application Form and *Résumé*.

Additionally, a few boards are listed in this Handbook for which no appointments are made by the Mayor or Board of Commissioners. They are included here because of their affiliation with the city, but they do not have application requirements through the city and do not need to comply with any of the application procedures listed in this Handbook.

The “Board Overviews” section of this Handbook lists the exact forms and documentation you will need to submit with your application for a particular board. If you are unsure of which forms you need to complete, simply ask the City Clerk, who will provide them to you.

All applications are valid for one year from the date of receipt by the City Clerk of all required documents. If you are still interested in appointment after one year, please remember to reapply.

APPOINTMENT PROCESS

All board appointments will be made solely from candidates who have successfully completed the application process. However, the process for appointment will vary depending on the individual or group who has the power to make the appointment. Appointment power depends on the laws that apply to each board, so please consult the appropriate “Board Overviews” section of this Handbook to determine the proper appointment process.

Note that there may be times when the appointment schedule below must be altered to accommodate the needs or desires of the Board of Commissioners. If the schedule is altered, the potential appointee will be notified accordingly.

Note that if a background check is required, the appointment will not be made until the background check is completed and reviewed.

The chosen appointee will be notified in writing of the proposed appointment, and requested to appear at the next regular meeting of the Board of Commissioners to introduce himself/herself, explain the reasons why he/she wants to be appointed, and answer any questions from the Board of Commissioners. (*Note: Some boards may receive written questions from the Board of Commissioners in advance of the meeting, and should have answers prepared for review at the meeting.*)
- d. The Board of Commissioners will vote on approval of the appointee at a regular meeting.

- e. If approved by the Board of Commissioners, the appointee will receive an official letter of appointment from the Mayor, which will specify the effective date of the appointment, along with a copy of the Handbook.

- b. The chosen appointee(s) will be notified in writing of the proposed appointment, and requested or invited to appear at the next regular meeting of the Board of Commissioners to introduce himself/herself, explain the reasons why he/she wants to be appointed, and answer any questions from the Board of Commissioners. (*Note:* Some boards may receive written questions from the Board of Commissioners in advance of the meeting, and should have answers prepared for review at the meeting.)
- c. The Board of Commissioners will vote on approval of the appointee at a regular meeting.

- f. City staff will schedule a brief orientation meeting with the appointee.

4) **Joint City-County Boards.** Some boards have both city and county appointees. Members appointed by the city must still follow the appropriate application and appointment procedures, so consult the “Boards Overview” section of this Handbook to determine the correct process to follow.

5) **Appointments by Boards Themselves.** Some boards make all their own appointments, and others make appointments in certain circumstances, such as filling vacancies after a certain timeframe has passed. Consult the “Boards Overview” section of this Handbook to determine which boards make their own appointments. While the appointment procedures listed in this section will not apply to board appointments, there may still be certain qualifications and other requirements that must be met.

RESIGNATION PROCESS

Unfortunately, there are instances when a board member cannot continue to serve, due to other commitments, no longer meeting a qualification, or any other number of reasons. When you must resign from your board, the following procedure will apply:

- 1) The resigning member must notify the City of Frankfort in writing, specifying the board for which the member serves as well as the effective date of the resignation.
- 2) The resigning member must notify the board from which the member is resigning in writing, specifying the effective date of the resignation.
- 3) The resigning member should contact the board itself to see if any additional requirements or notification procedures apply.
- 4) Any city officer or employee who receives indication of a board resignation must notify the City Clerk, who will contact the resigning member for written confirmation of the resignation as specified above.
- 5) Immediately upon written notice of a resignation, the City Clerk shall confirm the resignation by providing a written response to the resigning member, and shall notify the board for which the member served in writing.
- 6) The resignation will be effective on the date specified in the written resignation notice, or if no date is provided, immediately upon written confirmation of the resignation by the City Clerk.

There may be times when the city becomes aware of circumstances creating an effective resignation or vacancy even when written notice has not been provided to the city as required above. In these instances, the city will take appropriate reasonable action to confirm the resignation and notify the board, as well as the member who has resigned if at all possible.

OPEN RECORDS & OPEN MEETINGS

Almost all boards, commissions and committees created by or associated with the City are considered public agencies that are subject to the requirements of the Kentucky Open Meetings Act and Open Records Act. These laws contain strict requirements for how your meetings are governed and your records are maintained. Brief descriptions of some of the most important requirements are listed below, but it is very important that board members take the time to understand the law and how it applies to your particular board.

When you are appointed to a board, you will receive a copy of “Your Duty Under Law” and “Managing Government Records,” which you will need to review carefully. These are documents produced by the Kentucky Office of the Attorney General, and the Mayor is required to distribute them to you within 60 days of the date your term of office begins. Additionally, you may receive occasional updates to these materials if and when the Attorney General provides these updates.

Upon receipt of the materials above, you **must complete sign the Proof of Receipt** and submit it to the City Clerk.

A copy of “Your Duty Under Law” and “Managing Government Records” can be found in the “Resources” section of this Handbook.

Key Requirements of the Open Meetings and Open Records Act

- 1) **Regular Meetings.** Every public agency must establish a schedule of regular meetings that must be made readily available to the public. Some boards and commissions, however, do not meet on a regular basis and cannot establish a set meeting schedule. In these instances, the board must treat all of its meetings as special meetings, which have very specific notice and agenda requirements. When you are appointed, make sure you are familiar with the meeting schedule for your board.
- 2) **Special Meetings.** Any meeting that is not part of a regular meeting schedule made available to the public is considered a special meeting. Written notice of each special meeting, including date, time, place and a specific agenda, must be distributed to all board members and media on file to receive notification at least 24 hours prior to the special meeting. Additionally, the notice and agenda must be posted at the meeting location and headquarters of the board. It is important to note that for special meetings, you can only discuss topics that are specifically listed on the agenda.
- 3) **Quorums and Voting.** Generally, all boards must have at least a quorum present before they can take action, and most actions require a majority of those present and voting to vote in favor of the action before it will pass.
- 4) **Closed Sessions.** The Open Meetings Act lists a limited number of reasons for which a board can close a meeting to the public. The specific statutory exemption must always be referenced in the motion to go into closed session, as well as the nature of the business that will be discussed.

If in doubt about whether a closed session is allowed under the law, always feel free to ask the attorney for the board, or the City Solicitor.

- 5) **Parliamentary Procedure and Rules of Conduct.** Some boards are more formal than others, but all should adhere to basic standards of conduct and procedural rules, even if you are not required to follow Robert's Rules of Order. Check with your board to determine what rules apply to your meetings. You can also find parliamentary procedure references in the "Resources" section of this Handbook.
- 6) **Public Records.** Any papers, tapes, books, photographs, or other records which are prepared, owned, used or in possession of your board will be considered a public record that is potentially open to public inspection, unless an exemption applies. As with the open meetings requirements, the open records exemptions are very strict. When considering withholding or redacting records, the board attorney or City Solicitor should be consulted.
- 7) **Records Custodian.** Every board must have a records custodian responsible for maintenance, care and keeping of the board's public records. The City Clerk is required by law to be the official custodian of city records; however, some boards may have their own custodian. When you are appointed, make sure you know who serves as custodian for your board, and ask her/him about how you should maintain records.
