ACTION ITEMS

8. *SkillBridge MOU*

To authorize the Mayor to execute a Memorandum of Understanding (MOU) between the Office of the Under Secretary of Defense for Personnel and Readiness, U.S. Department of Defense (DoD) and the Frankfort Police Department (FPD) for the establishment of the SkillBridge program as part of recruitment for new officers and sign all related documents. **This MOU is time sensitive due to the hiring process and training opportunities, therefore it requires action at the Work Session in September.** FPD is always working to find quality applicants to fill the ranks of patrol officer. The DoD SkillBridge program is another resource that we can recruit, bringing applicants from our military bases located in Kentucky and other locations around the United States. The DoD SkillBridge is a program that encourages Service members to capitalize on training and development opportunities throughout their military career so that they may grow and develop as professionals fully capable of serving the Nation, both during their time in uniform and after their term of military service, as civilians. This MOU establishes parameters for the participation of transitioning Service members in to FPD's proposed SkillBridge Program. Service members who are within 180 days of separating from service and who have completed at least 180 days of service will be eligible for consideration. The Service members would still have to apply with FPD and participate in the standard hiring process, including state required phases and background checks. Once eligible and placed on the hiring list, FPD would be able to select the Service member to attend the academy. Another, more specific, MOU would be put in place in the near future to establish the type and duration of training. The Service member would continue to be enlisted with the military, including salary, while in FPD's SkillBridge program. The recommendation is to approve and authorize the Mayor to sign this MOU and all other related documents.
