CITY OF FRANKFORT SPECIAL EVENTS

The City of Frankfort takes pride in the quality and safety of the special events that are hosted each year in the City. The City of Frankfort appreciates the cooperation of event organizers in ensuring the safety and success of all community events.

It is the policy of the City of Frankfort not to discriminate on the basis of race, sex, color, national origin, religion, age, disability, sexual orientation, familial status or gender identity.

A Special Event Permit is required by any person or group desiring to use any city property or public right-of-way unless these areas are governed by another permit or application process. Special Event Permits are also required for events held on private property that impact the public right-of-way and are open to the public. The ordinances governing Special Events are located in Chapter 71. Sections 71.50 to 71.65 of the City of Frankfort Code of Ordinances.

SPECIAL EVENT PERMIT PROCESS

Please read all process guidelines prior to submitting a Special Event Permit Application.

Special events consist of any activity which occurs upon private or public property that will affect the ordinary use of the public property, public streets, rights-of-way, on street parking, or sidewalks. Event applicants may submit applications for one of the following categories of events:

- Festivals
- Parades
- Races
- Street Closures

Applications for special events will be accepted on a rolling basis, beginning January 1 for events proposed during that calendar year. Event date is not reserved until all fees have been received. Events proposed for January will need to contact the City of Frankfort to make arrangements for application filing deadlines.

A group or individual may not request permits for more than 3 events during the year at one time. If requesting multiple events, applicants must fill out a permit application for each individual event (even those in a series) and each event will require a separate permit fee. One damage deposit may be made and retained for each subsequent event pending damages from any previous event.

Applications for special events must be filed with the City of Frankfort no later than 30 days prior to event date. Applications filed less than 30 days from event date will incur a nonrefundable \$500 late fee (excluding first time events) and will require special permission from the City Manager.

All Special Event Applications must include a **\$150 permit fee** and a **\$250 damage deposit**. Payments may be made by check or cash to the City of Frankfort. Following the event, if no damage or excessive cleaning of the event site is found, the deposit will be returned to the applicant. If damages or circumstances requiring excessive cleaning efforts are found, the damage deposit will be retained to cover costs and any costs in excess will be billed directly to the applicant.

If event is cancelled due to weather or any other unforeseen reason, fees and deposits may be retained and the event may be re-scheduled within the same calendar year.

All Special Event Permits will be approved and issued by the City Manager's office. The City Manager and/or his/her designee will respond to an application within thirty days of receipt.

Event applicants must be at least 18 years old. . If the event is designed to be held by and on behalf of or for a person other than the applicant, applicant must file written communication from person authorizing the applicant to apply on his/ her behalf, and person authorizing must provide picture ID proof that they are 18. The applicant must also provide proof that they are over 18.

Applications will be processed on a first-in-time basis and based on a full and complete submission of necessary information and documentation. This process will be followed in the event that a conflict would arise which would involve more than one group seeking an event during the same time and location.

SPECIAL EVENT GENERAL POLICIES

Please review the following guidelines prior to submitting a Special Event Permit Application.

NEIGHBORHOOD IMPACT

Prior to issuing a permit, the City of Frankfort may contact, or may require the applicant to contact, affected neighborhood businesses or residents for input on the impact the event will have. This could necessitate the issuance of variances, or require changes in the event plan to prevent a negative impact on the neighborhood. The applicant may be responsible for notifying affected neighbors of the event type, date and time of the event, and of any partial street closures or parking restrictions in the event area. The applicant may be asked to obtain signatures of approval from affected businesses/property owners prior to application approval. The Special Event shall also not interfere with the movement of emergency response vehicles.

PERMITS AND LICENSES

The applicant and vendors should obtain and maintain during the term of this agreement all necessary permits and licenses for the event. In addition to the City of Frankfort Special Event permit, other types of permits or licenses may be required and are subject to inspection and restriction. These may include but are not limited to: charitable gaming license, business or itinerant merchant licenses. State roads have special requirements. To determine if your project is on a state road, visit maps.kytc.ky.gov. Applicant must abide by all federal, state and municipal laws, rules and regulations.

SUPERVISION

The applicant must provide sufficient and competent personnel to plan, implement and supervise other personnel and activities in addition to providing personnel to take proper care of the grounds and facilities. The City of Frankfort will not be responsible for any type of event planning, implementation, or supervision.

SECURITY PLAN AND REIMBURSEMENT

The permittee shall cooperate with the Office of Emergency Management in implementing and adhering to the emergency response plan for the parade or special event. The Special Event will not require an amount of emergency response resources that will deplete the city's available resources. The decision to use City police officers, whether on-duty or off-duty, or police cadets, shall be within the sole discretion of the Chief of Police, or his/her designee. The City may require public safety personnel at the event (at the sponsor's expense) as a condition of the permit. The City shall be reimbursed the cost of providing police officers at the percentage set forth below:

- Private (for profit) and Post-Secondary Education Institutions- 100%
- Non-profit organizations and schools located in the City- 50%

PERIMETER CONTROL

Perimeter control is required for the sale of alcoholic beverages during an event. The area where alcohol will be sold and consumed is permitted by the State and has specific boundaries. This area must be clearly defined from non-permitted areas. The applicant is responsible for marking and maintaining the perimeter and must ensure that no alcoholic beverages be removed from the area. Perimeter control must be done in a manner that does not damage the grounds if the event is on city property or public right-of-way.

WASTE MANAGEMENT

The applicant must work with the City's Solid Waste Department to provide waste and recycling receptacles to be in the immediate area of an event. Contact the Solid Waste Division at (502) 875-8527. These receptacles should be delivered on the day of the event. Waste and recycling receptacles must be removed when full or on the next regular business day following the event. The use of aluminum cans and aluminum bottles shall be allowed as a beverage container option. Glass bottles are prohibited.

ACCESSIBILITY

Applicants shall consider accessibility for persons with disabilities during the event and events should be ADA compliant, as they allow. Any permitted event shall be open to the public.

HEALTH DEPARTMENT

Food and beverage vendors are subject to inspection and permit by the Franklin County Health Department. Every food and beverage vendor must be licensed by the City and be inspected prior to selling food or beverages. Wastewater disposal must be designated on the site plan and provided for food and beverage vendors. City of Frankfort business license or itinerant merchant applications should be received at least one week prior to the event. Operation without a license is prohibited. For more information regarding Temporary Food Permits please see fchd.org or contact the Health Department at 502-564-7382.

FIRE CODE REQUIREMENTS

The applicant is responsible for complying with all applicable fire codes. The use of fireworks or pyrotechnics must be approved by the City Board of Commissioners and a separate permit must be issued prior to the event. Contact the Fire Department at 502-875-8511 to complete an application. Any fire safety concerns or questions should be brought to the Fire Department prior to the event. The Fire Department may make site inspections and add additional requirements for safety.

TENTS/BANNERS

All canopies or tents must be properly secured. Canopies or tents with stakes longer than 12" being driven into the ground are not allowed without advance permission from the City. Any damage caused by tents will be the responsibility of the applicant. Tents are subject to all Fire Code requirements including, but not limited to, exit lighting, fire extinguishers and egress requirements outlined in Chapter 24 of the International Fire Code. Banners can be hung across city streets for a special event only on closed streets where there is no vehicular traffic. Signs advertising the event, or directional signs, cannot be placed in the public right-of-way. Tents with an occupant load of 100 require state approval, under 100 can be approved by the City.

PORTABLE TOILETS

The City of Frankfort requires portable toilets for Special Events. Please see the provided chart to determine the number of units required. Upon review of site plans, the City may require additional units or periodic servicing. It is the responsibility of the event organizer and at the organizers' expense to obtain the required portable toilets for the event. Note: If alcohol is being served, add 15% more restrooms. Add one Handicap Accessible Restroom per 20 portable restrooms, or a minimum of one per event. Adequate hand washing should also be provided. A minimum of 1 hand-wash station should be added per 4 restrooms.

10000	38	60	75	84	88	92	96	96	96	100	

TRAFFIC/PARKING MANAGEMENT

Traffic and parking should be utilized in an unobstructed and non-disruptive manner. The Special Event will not substantially interrupt the movement of traffic on nearby streets. Street/building construction or planned construction at or near the proposed site during event dates must be noted on the site drawing. Plans for accommodating construction must be incorporated in the event plans. Any stationary event should ensure that there is one continuous straight lane eleven (11) feet in width open to provide EMS and Fire access. A vertical clearance of 11 feet must be maintained and there must be a 3 foot clearance around fire hydrants. If the event requires restriction of parking, the City will install 'No Parking' signs 24 hours prior to the event. If event is mobile, the event must move from point of origin to point of termination without unreasonable delay.

PUBLIC NOTICE

The permittee shall advertise the Special Event on at least two occasions, with one advertisement being published in the local newspaper no less than 14 days prior to the event. The second advertisement may be made by newspaper, radio, television, or the City's social media no less than 7 days prior to the event. If utilizing City social media, event applicants must submit event advertisement information, including event fliers and description, to the City no less than 14 days prior to the event.

(Ord. 18, 2015, passed 12-21-15)

INTENT

Any special event permitted by the City of Frankfort is not to be held for the sole purpose of advertising any product, goods or event, and is not designated to be held purely for private profit

The City of Frankfort has established the Special Event Permit Application Process and General Policies for permitted special events. Special events may have a definite impact on the adjacent property owners, businesses, residences and the general community due to the necessary changes in traffic circulation and other circumstances. These types of events also present a potential risk to the City of Frankfort. The City of Frankfort is committed to providing special events that compliment the quality of life and the general function of City government.

I have read and understand the Application Process and General Policies for City of Frankfort Special Events.

SPECIAL EVENT RACE GUIDELINES

MINIMUM PACE REQUIREMENTS

The permittee shall advertise and make known to all race participants that the event will be held to a 18 minute per mile pace. Race organizers are responsible for providing a pacer at this time limit. If any participants remain on the course past the designated completion time of the race, the permittee and City personnel shall direct those participants to the sidewalks and the race course will be opened to traffic. Once notification has been made that the race course will be opened, any participants who have been directed to the sidewalk will be considered pedestrian traffic and must comply with the laws applicable to such traffic. (Ord. 18, 2015, passed 12-21-15)

RACE ROUTES

In the interest of uniformity in planning and city personnel needs to staff various routes, the following pre-determined routes must be used.

The City Manager has the authority to allow street closures or a variance to the race route based upon the nature of the event.

Temporary traffic control devices (barricades, cones) for street closures need to be placed at the various intersections along the route and should be in place fifteen minutes prior to the scheduled start time of the parade and must be removed immediately upon completion of the parade.

Security for traffic control is required for all parades. See reimbursement schedule on page 5.
